Dear Parents/Guardians of BHS seniors:

On the reverse side, please read the general guidelines for the Senior Paper. Since the completion of this paper is one of the major tasks of the senior year and a requirement for graduation, we want to be sure that you are aware of the assignment and the school-wide deadlines.

We believe that assignments of this kind promote serious, challenging academic experiences for our students, and we are grateful for your support. We thank you for your cooperation and welcome any questions or concerns. Please contact your child's English teacher if you have specific questions about the senior paper or your child's progress.

Sincerely,

Mary Burchenal, Department Chair,
